European Review of Applied Sociology: Call for Papers

Posted on [September 29, 2017](#) by [psa_admin](#)

The Editors of [European Review of Applied Sociology](#) invite authors to contribute with articles to issue no. 15/2017. Manuscripts are expected to be

submitted at eras.editor@gmail.com. For guidelines on manuscript preparation, please visit the [Author Guidelines](#).

European Review of Applied Sociology is a double-blind peer-reviewed scholarly journal that publishes scientific articles, research reports, teaching notes, essays and book reviews. The Journal consistently covers an array of subject areas including social change and social structures, globalization, social networks, communication, law and politics, labor market, migration, ageing, social work, community research, family, social statistics and other topics from applied sociology.
